Fellow Members

Ladies and Gentlemen

A very warm welcome to all of you.

As of last count, the section boasts 699 members, more than the next 2 sections combined. We are grateful to the hard work and leadership of Joseph, and his predecessors Eddie, Chok Ming and Siva which made this possible. The NUSS Golf Section continues to do NUSS proud.

The President Challenge is one of the two major tournaments in our golf calendar. The other is the Golf Annual (typically in July) which this year will be part of the NUSS 70th Anniversary Celebrations.

During the President Challenge, all players are supposed to pit their skills against the President. Unfortunately, I have yet to pick up Golf but am well

represented by my predecessors, Soo Hwee, Kim Seng, Johnny and Eddie. Due to the timing,

of the Chinese New Year, the President Challenge and the Ang Pow Game have been combined into a single tournament this year. 100 golfers teed off at the Marina Bay Golf Club and I understand that this will be the last chance to play there. I hope you have enjoyed yourselves this afternoon.

I don't want to come between you and dinner, so I will end off by wishing all of you a Happy Chinese New Year. 恭喜发财!
