Fellow Members,  
Ladies and Gentlemen,**

Good afternoon and thank you for joining us for ***NUSS x The Mothership Podcast: A General Election 2025 Special***.

We are honoured to have with us Mr Jasper Kuan and Mr Yee Jenn Yong from The Workers' Party. Your time and participation are greatly appreciated as we engage in this important conversation with our members.

This series serves as a vital platform for political representatives to share their views and engage in meaningful dialogue with the community. It reflects our continued commitment to fostering informed civic participation and encouraging open discussions on national matters.

At NUSS, we are committed to fostering thought leadership and public discourse. Over the years, we have hosted a variety of notable initiatives, including the 2020 Pre-General Election Forum and the 2023 Meet the Presidential Candidates Series, which have provided valuable opportunities for members to engage directly with key figures.

In April, we launched this collaboration with *Mothership* by hosting our first Pre-General Election Forum, featuring former Nominated Members of Parliament. We are excited to continue this series and look forward to more opportunities to host discussions with diverse voices as we approach the upcoming General Election.

Thank you, and we wish you an insightful and engaging session ahead.
