Fellow NUSS Members

Good evening.

A very warm welcome to the NUSS family! It is heartening to see our community grow, and I would like to thank all our members and proposers who have brought new faces to our Society.

At NUSS, you will find a wide array of activities — from sports and cultural sections to intellectual forums and social events — offering something for everyone, including families and children. Stay connected through *The Graduate* microsite, our WhatsApp channel, and other social media platforms.

Do also take time to enjoy our F&B outlets, featuring refreshed menus, wine-pairing dinners, and seasonal specials, along with festive favourites like Oktoberfest and Christmas parties — wonderful opportunities to gather with friends and family.

Beyond our Guild Houses, members can look forward to privileges such as fitness partnerships with True Fitness, airport lounge access, and special hotel rates — benefits that extend the NUSS experience well beyond our Clubhouses.

Equally enriching are our intellectual and networking platforms — from the NUSS-NUS Mentorship Programme, now in its 12th cycle with nearly 600 mentors and 1,800 mentees, to thought leadership events such as *Southeast Asia in Our Current Geopolitical Realities*, taking place at Suntec Guild House on 22 October, where thought leaders will reflect on pressing regional and global issues.

I'd like to highlight our Member Referral Rewards — refer a new member and earn up to \$600 in NUSS credits. Visit our website for details.

To our new members, I encourage you to explore all that NUSS has to offer — sports, culture, food, friendships, and meaningful discussions. May this be the start of a fulfilling journey with us.

Once again, welcome to the NUSS family, and enjoy your evening!
