

ABOUT THE COACHES

ZENITH BADMINTON ACADEMY

Chea Hong Hui

12 years of coaching experience

Coach Hong Hui combines technical expertise with a structured approach to long-term player development. As Founder and Head Coach of Zenith Badminton Academy, he helps players build strong technical and tactical foundations while understanding the game beyond skill execution. His purposeful coaching develops disciplined, confident players who excel both on and off the court.

Tan Siew Lian

15 years of coaching experience

Coach Siew Lian believes badminton is a platform for character development and personal growth. Adapting her coaching approach to players of all ages and abilities, she creates a supportive environment where individuals develop confidence, resilience and a lifelong passion for the sport.

Martin Han

8 years of coaching experience

Coach Martin combines over a decade of coaching experience with a strong focus on developing well-rounded players. His sessions emphasise solid fundamentals, efficient footwork, tactical awareness and smart shot selection in a supportive learning environment. He also encourages mental resilience, helping players build confidence and perform under pressure.

ABOUT THE COACHES

ZENITH BADMINTON ACADEMY

Kim Tan Yee Ming

6 years of coaching experience

Coach Kim is recognised for his energetic and engaging coaching style. Through technical refinement, real-time feedback and high-intensity training, he motivates players to continually improve. His supportive approach helps athletes build confidence, resilience and the mindset to perform at their best.

Looi Hao Xian

3 years of coaching experience

Coach Hao Xian is recognised for his calm, analytical and detail-oriented coaching style. Focusing on technical precision, tactical awareness and sound decision-making, he helps players perform with confidence under pressure. His structured approach encourages consistency, discipline and continuous improvement.

Tang Wan Lin

2 years of coaching experience

Coach Wan Lin creates a supportive environment where beginners can develop confidence while mastering the fundamentals of badminton. Her patient coaching style focuses on proper technique, coordination and positive training habits. Through consistent guidance and encouragement, she helps young players build strong foundations and enjoy the sport.
