

**OPENING ADDRESS BY NUSS VICE-PRESIDENT II
MR NAKOORSHA ABDUL KADIR
AT THE INAUGURAL NUSS SPORTS PANEL DISCUSSION: "BEYOND THE SCOREBOARD"
12 AUGUST 2026, WEDNESDAY AT 7PM
KENT RIDGE GUILD HOUSE, DELLA & SENG GEE GUILD HALL**

Distinguished Panellists,
Members and Guests,

Good evening, and a warm welcome to Kent Ridge Guild House.

As we celebrate our nation's 61st birthday this National Day, NUSS is delighted to present **Beyond the Scoreboard**—a conversation that celebrates the people, values and stories behind Singapore's sporting journey.

At NUSS, we are committed to fostering intellectual pursuit, meaningful dialogue and lifelong learning. Through programmes organised by our Intellectual Pursuit Sub-Committee, we bring together distinguished leaders, practitioners and experts to exchange ideas, broaden perspectives and inspire new ways of thinking.

Tonight's discussion reflects that commitment. While sport is often associated with scoreboards, medals and records, this evening invites us to look beyond competition and reflect on the qualities that define true excellence. Sport cultivates resilience, leadership, discipline and perseverance—values forged through training and competition that continue to shape how we lead, adapt and grow, both personally and professionally.

These values are also reflected in our own community at NUSS. We are proud to have a vibrant sporting culture, with [15 active sports sections—from golf, tennis and badminton to squash](#) and the increasingly popular pickleball—bringing together [more than 2,000 members](#) through shared passion and healthy competition. We are equally committed to nurturing the next generation through [our youth programmes in swimming, tennis and badminton](#), inspiring young participants to develop a lifelong love for sport.

Our passion for sport also extends beyond our Society. This year marks the [36th NUSS–PAUM Games](#), a longstanding sporting tradition with the University of Malaya Alumni Association that reflects the enduring friendship between our two alumni communities. We also look forward to hosting the annual [ASEAN Universities Alumni \(AUA\) Golf Tournament](#) at the end of August, welcoming our counterparts from Indonesia, Malaysia and Thailand in a celebration of sportsmanship, camaraderie and regional ties.

It is therefore especially fitting that we gather this evening to hear from an outstanding panel of athletes and sporting leaders from across Singapore's sporting ecosystem. I look forward to the insights they will share and the lessons they have learned, both on and off the field.

Thank you.
