Distinguished Guests,
Ladies and Gentlemen,

Good evening and a very warm welcome to Singapore!

It is my great pleasure to host all of you at the 12th ASEAN Universities Alumni Friendship Golf Tournament. On behalf of the National University of Singapore Society (NUSS), I extend our heartfelt appreciation to our friends from Thailand, Malaysia and Indonesia for making the journey to be with us.

Over the past twelve editions, this tournament has grown beyond a friendly golf competition into a cherished tradition that strengthens the bonds between our four universities. Year after year, it brings together alumni from across the region, creating opportunities to reconnect, forge new friendships and deepen mutual understanding.

The true value of this tournament lies not in the scores on the leaderboard, but in the relationships built along the way. In an increasingly fast-paced world, it is important that we continue to nurture these connections and preserve a platform that celebrates friendship, goodwill and regional camaraderie.

My sincere appreciation goes to the organising committee, volunteers and participants whose dedication has made this event possible.

Thank you once again for your friendship, support and presence here in Singapore. I wish everyone an enjoyable evening and a memorable tournament.

Thank you.
