Ms Jacqueline See, Senior Associate Director, Centre for Future-Ready Graduates,
National University of Singapore,
Members of the NUSS Management Committee,
Fellow Mentors, Mentees, and Friends,

Good evening to all our mentors, mentees, distinguished guests, and friends of NUSS and NUS.

It is my pleasure to welcome you to the NUSS–NUS Mentorship Programme Appreciation Dinner for Academic Year 2025/2026. Tonight, as we gather to mark the culmination of our **13th cycle** since the programme's inception in 2012, we celebrate not just the completion of another academic year, but the profound impact of shared wisdom, guidance, and community spirit.

Looking back on this cycle, we were privileged to have **170 dedicated mentors guiding 250 enthusiastic mentees**. Beyond the numbers, what makes this programme truly special is the generosity of our NUSS members who step forward year after year. By sharing your professional insights and personal experiences, you help equip our students with career readiness, broaden their perspectives, and foster meaningful connections that extend far beyond university walls.

To our mentors: thank you for your generosity, passion, and commitment. You are the bedrock of this initiative, and your dedication strengthens the bond across generations of NUS graduates.

To our mentees: I hope this mentorship journey has provided you with clarity, confidence, and fresh perspectives as you shape your future paths. As you step forward into your careers, I encourage you to keep this spirit of mentorship alive and, in time, return to pay it forward as mentors to those who follow in your footsteps.

Tonight, we also take immense pride in celebrating sustained commitment through our **Mentors Long Service Award Certificates**. Tonight, we honour **10 outstanding mentors** who have dedicated five to ten years of invaluable service to this programme, some of whom are here with us this evening. Your years of sustained guidance have shaped countless lives and strengthened our mentorship ecosystem. On behalf of NUSS, I offer these recipients our deepest gratitude and congratulations for your steadfast commitment!

I would also like to extend our warm appreciation to the **NUS Centre for Future-Ready Graduates**, in particular **Ms Jacqueline See and her team**, for their close partnership and unwavering collaboration throughout this cycle. My sincere thanks go as well to the members of the NUSS Alumni Development Sub-Committee and the Secretariat team for their hard work behind the scenes to make this cycle and tonight's celebration a resounding success.

As we wrap up this 13th cycle, let us celebrate the friendships formed, the milestones achieved, and the lasting legacy of paying it forward.

Thank you, and please enjoy the rest of the evening!
